

# MSS®-HEMERA Stick-Off

## Label Solver

Bina  
Bakımı

### Features

Hemera Stick-Off is a reliable product specially formulated to easily and quickly remove almost all adhesive materials, especially adhesive labels, from the surface. It is used on all types of surfaces. It also easily cleans oil and finger stains from the surface.

### How to Use and Amount

It is concentrated and pulverized directly onto the label. Wait for 2-5 minutes and the label is easily removed from the surface by hand. The application is repeated for stubborn labels that have remained on the surface for a long time. The surface is dried with a dry and clean cloth.

### ATTENTION

Does not contain corrosive or irritating substances.

If spilled or in continuous contact with hands, face or body, wash with plenty of water.

### Storage

Store in a cool place.
