

MSS®-LOTİS Body

Body Shampoo

**Personal
Hygiene**

Characteristics

Lotis Body is a body shampoo. The product can also be used as bath foam gel and can be applied in hotel bathrooms, and shower rooms of sports clubs.

Ingredients

Lotis Body is based on a mild blend of surfactants, humectant, hair care ingredients, pearlescent, perfume and preservatives. The mild detergent blend makes it suitable for frequent use (no skin irritation or drying out). In addition moisturizers provide skin care effects, while other ingredients ensure tangle free hair.

Applications

The product can also be applied as bath foam, producing plenty of lather irrespective of water hardness. It does not form scum, leaving the bath easy to clean.

Lotis Body is generally used in hotel bathrooms and shower rooms of sports clubs.

Physical Characteristics: Forms plenty of lather

Directions and Dosage

Excellent cleaning performance

Can be used as bath foam

When used as hair and body shampoo: apply to wet hair and skin and massage to produce a rich lather. Rinse and dry thoroughly.

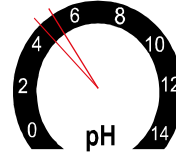

When applied as bath foam: add a few dosages to the bath prior to filling.
