

MSS® -KREON Klara

Dishwasher Liquid Detergent

Features

Kreon Klara is used with automatic dosage pumps, in industrial dishwashers. It can easily remove congealed oil and soil on dirty dishes. Kreon Klara does not make porcelain dishes and cups loose their luster. It doesn't darken materials made up of stainless steel such as fork, knife, spoon, and service tray. Kreon Klara also prevents accumulation of lime and formation of heavy unpleasant smell in dishwashers if it is used in proposed concentration. Its surface active components are biodegradable. It is economical and eco-friendly.

Ingredients

High alkaline substance %15 - 30 and complex builder %15-30.

Physical Characteristics: Colourless liquid.

Applications

Remove rough soil by using plastic spatula or by pre-washing process before placing dirty dishes into the dishwasher. Then place dirty dishes into right baskets properly. After putting the baskets into the dishwasher arrange wash temperature to 50–60°C. After wash process do not dry, dishes and other items with dishcloth to avoid contamination. If Kreon Rinse is used in rinsing process, dishes dry by themselves and do not need any other treatments (applying dishcloth) for drying.

Directions

Kreon Klara is used with special dosage units arranged to provide appropriate concentration by MSS Grup technical service. Because dosage is arranged automatically, washing process becomes more economical and safer.

Hardness of water (dH°)	0 – 7	7–14	14 – 21	>21
Dosage (g/l)	1 – 2	2 – 4	4 – 6	6 – 8

Note According to the type of soil amount of foam can increase or decrease. That does not mean the product loose its activity. For instance, yogurt soils have foam cutting characteristics on the other hand egg soils have foam increasing characteristic.

Storage

Store it in a dry and cool place. Do not stack more than two tight-head containers on top of each other.

Security Symbols

Kitchen Hygiene

Xn: Irritant

R 35 Cause severe burns.
S 2 Keep out of reach of children.
S 24/25 Avoid contact with skin and eyes
S 26 In case of contact with eyes rinse immediately with plenty of water and seek medical advice

S 28 After contact with skin wash immediately with plenty of water.
S 36 37/39 Wear suitable protective clothing gloves and eye/face protection.

Product Code: MSS21017

Packaging: 20 L (24,20 KG)

Consumption per square metre: Variable according to application.
